Resistenza
I valori di resistenza del prodotto dipendono dalla qualità della roccia e dalla messa in opera a regola d'arte.
Raumer Srl declina ogni responsabilità nel caso di una scorretta messa in opera.
Strength
The strengths depend on the quality of the rock and the quality of the placement.
Raumer Srl can accept no responsibility for poor placements.
Résistance
Les valeurs de résistance dépendent de la qualité du rocher et de la qualité de leur placement.
La responsabilité de Raumer Srl ne peut être engagée lors d'une mauvaise mise en place.
Los valores de resistencia dependen de la calidad de la roca y de la calidad del emplazamiento.
Raumer Srl no puede ser considerado responsable en caso de una instalación inadecuada.
